Quote No. Q-GIOI-2026-001
Date 16 October 2026
Valid until 15 November 2026

Project: GIOI Bali Direct Reservation Platform — public landing page, direct booking flow, internal reservation app (Super Admin & Host), lightweight guest history, and manager dashboard. Responsive web (desktop, mobile, tablet); native iOS/Android apps not included.

1. Pricing Summary

ITEM	DESCRIPTION	AMOUNT (IDR)
Project Start Fee	One-time: discovery, setup, build, migration, testing, launch of First Release	Rp 15.000.000
Monthly Fee	Hosting, maintenance, support & minor enhancements (min. 12 months) · Special offer: i give free 1 month of montly cost	Rp 5.000.000 / month
Due at signing	Project Start Fee, 50% deposit	**Rp 7.500.000**

2. Scope — Project Start Fee (Rp 15.000.000)

A. Public landing page

- Restaurant intro, dining experience/menu, photo gallery, opening hours
- Location with Google Maps link, contact details, reservation call-to-action
- Mobile-first layout for Instagram, Google & direct-link traffic

B. Direct reservation system

- Date, time, party size, seating area selection with live availability
- Guest contact, occasion, dietary/allergy, accessibility & special requests
- Booking policy review, conflict prevention, on-screen confirmation, 24/7 operation
- Separate marketing consent capture

C. Internal reservation app

- Today's service view, search by name/phone/booking code/time
- Create & edit reservations on behalf of guests
- Status flow: Pending → Confirmed → Arrived → Seated → Completed / Cancelled / No-show, with history
- Prominent allergy & accessibility alerts; tablet-friendly one-tap actions
- Two roles: Super Admin and Host
- Post-visit feedback: one-tap WhatsApp send on Completed visits to a native GIOI feedback form

D. Guest history

- Previous reservations, visit count, cancellation/no-show history
- Seating, occasion, dietary & accessibility preferences, internal service notes

E. Configuration (Super Admin)

- Opening hours, closed dates, booking intervals, party-size limits
- Seating-area capacity, lead time, cut-off, cancellation & no-show policies
- Optional deposit / minimum-spend flags, user management, CSV export, audit log
- Guest feedback form settings: question, subtitle, standout tags, WhatsApp message template

F. Manager dashboard

- Today live, demand outlook (7/30 days), guest relationship, channel performance, reliability, operations
- Date-range & status/source/area/slot filters with drill-down to reservations

G. Data migration & launch

- One controlled import from spreadsheets (validation, duplicate check, admin approval)
- Domain & SSL setup, UAT with GIOI team, staff training session (Host & Super Admin), go-live support

3. Included in Monthly Fee (Rp 5.000.000 / month)

CATEGORY	INCLUDED
Hosting & infrastructure	Cloud hosting, database, domain renewal, SSL, CDN for landing page
Security & backups	Daily automated backups, security patches, dependency updates, uptime monitoring
Maintenance	Bug fixes, browser/device compatibility, performance tuning
Support	≤ 1 business day
Content updates	Landing page text, photos, menu, hours, promotions — up to 8 updates/month
Configuration help	Assisting changes to slots, capacity, seating areas, policies, user accounts
Minor enhancements	Up to 8 developer hours/month for small changes (new field, report tweak, UI adjustment); unused hours do not roll over
Reporting	Monthly summary: bookings, covers, no-show & cancellation rates, channel share, system uptime
Data	On-request full data export; GIOI retains ownership of all guest & reservation data
Staff onboarding	Training for new Host/Admin staff (1 session/month, online)

4. Timeline

PHASE	DURATION
Discovery & rules confirmation (hours, seating, policies, migration data)	Week 1
Build: landing page, booking flow, internal app, dashboard	Weeks 2–3
Migration, UAT, training	Week 4
Go-live & hypercare	Week 4

5. Payment Terms

- Project Start Fee: 50% (Rp 7.500.000) on signing, 50% (Rp 7.500.000) at go-live
- Monthly fee billed from go-live month, payable in advance by the 5th of each month
- Minimum commitment 12 months; afterwards month-to-month with 30 days' written notice
- Scope changes after discovery are quoted via change request before work begins
- ✧ Special offer: i give free 1 month of montly cost

QUOTATION | SCOPE & FEES

Appendix — Latest Client Call Context

Topic: Scalability to entire GIOI group, with Bali as the focus for the first release.

The direct reservation platform (public landing page, direct booking flow, internal reservation app with Super Admin & Host roles, lightweight guest history, and manager dashboard) is being built for GIOI Ocean Gourmet, Bali as the first release. The architecture is designed to scale to the entire GIOI group — the platform is applicable to the rest of the GIOI group restaurants — but Bali remains the priority and initial rollout target.

SEO — backlinks

SEO scope includes a backlinks strategy to improve the landing page's search visibility and organic discovery for GIOI Ocean Gourmet, Bali direct reservations.

Scope of Fees

The scope and fees in this quotation (Rp 15.000.000 setup + Rp 5.000.000/month) cover only GIOI Ocean Gourmet, Bali. While the system architecture is built with group-readiness in mind, onboarding, data migration, setup, and ongoing maintenance for additional GIOI Group outlets will be subject to a separate quotation and rollout agreement.
